Copy of FY2017 SIP Plan Summary All States. ORC assignments.12 5 16.xlsx

John,

This week, can you modify the attached list to add all of Sara Laumann's SIP projects per the attached SIP list?

If you think it'd be better in a different format (not in MS Word), feel free to convert it. I'm okay leaving it in Word, though, if it'd take a lot of time to convert it.

Thank you.

Paul
